

7 Letters in Her Name

I know a girl with 7 letters in her name

I met her once now I'll never ever be the same

she's got long, long legs and a shimmy when she's movin' her feet

she's got 7 letters in her name and that can't be beat

she's got 7 letters in her name, 7 letters in her name

She's got 7 letters in her name and i know every one

from the first to the last this girl is nothing but fun

fun from the cap on her head down to the tread beneath her feet

she's got 7 letters in her name and that can't be beat

she's got 7 letters in her name, 7 letters drive me insane
