

Throw My Bail

Done a lot of things in a row
to a lot of people that you know
when it comes time to put me in the jail
do you love me deep enough to want to throw my bail
throw my bail throw my bail
do you love me deep enough to want to throw my bail

Been to Europe for a couple of years
done a lot of things you might fear
when it comes time to put me in the jail
do you love me deep enough to want to throw my bail
throw my bail throw my bail
do you love me deep enough to want to throw my bail
